MENTAL HEALTH COLORADO EARLY CHILDHOOD  
TOOLKIT FOLLOW UP

JULIE WITT

<b>DISCUSSION</b>	Julie did a brief refresher of the Mental Health Colorado Early Childhood Toolkit presentation from the June Council Meeting. She informed the group the next step would be to determine if we'd like to move forward and schedule a community meeting or meetings. The meetings would be to discuss the best practices in the toolkit and determine how well we are doing implementing them in our communities. The council decided to schedule a meeting in Limon and Eads. The group came up with a couple of date/time options in September. They suggested Julie send out a doodle poll to determine what works best for most. They agreed a more in depth presentation of the toolkit at the meeting would be beneficial
