The program is an educational opportunity designed to promote parent/caregiver interaction and to help monitor developmental milestones in kids. The program offers a variety of totes or backpacks to be checked out to use at home.

The Fun Totes are for ages 0-8 and offer a variety of categories to choose from such as: science, math, reading, social emotional, dramatic play, healthy living and more.

The program is funded by the Buell Foundation.

For more information, to become a tote location or to be a program sponsor please contact:
