MINUTES	FINANCIALS/EXPENDITURES/FISCAL AGENT & FUTURE FUNDING	HALEY SMITH/CASEY HALDE/JULIE WITT
DISCUSSION	<p>Haley and Casey reported that everything is good with the bank account; however, Dennis still needs to be added and listed as a signor. Haley and Julie met with the Lincoln County DHS Director and have set a goal date of transitioning from DHS as a fiscal as 12/31/16. The State has said the transition could take up to three months but they will try to do their best to reach this goal. DHS Director Patricia Phillips has let Haley and Julie know that if there needs to be an extension on the date that they can work with CKLECC. Casey and Haley are working on Quick Books to get payroll and accounting set up. Financials and expenditure sheets were given to the board for review. All of the Temple Hoyne Buell Funds were spent down in August.</p> <p>Julie reminded the Board that Carole Spady's contract ends 9/30/16. She asked whether we extend the contract through 12/31/16 or make her an employee of CKLECC at this time. It was agreed it would be easiest to extend the contract until we are no longer under the fiscal agent. Sheila made the motion to extend Carole's contract with the option to continue month to month until the transition from the fiscal agent is complete. Rod made a second to the motion and it passed.</p> <p>Items needing worked out with DHS prior to transition include: whether or not we can continue to use the teleconferencing phone line; the email accounts; iPad rental; and an end date to using the current credit cards.</p> <p>It was suggested that Haley do some research on where we can get a card ordered for Julie for CKLECC. Haley reported that Eastern Colorado Bank said they could not do it.</p> <p>Julie reported that it sounds like the Request for Applications from Councils that will come out next spring will be for a three-year funding cycle and that we will know ahead of time how much funding we are eligible to for.</p>

RULES FOR COUNCILS

JULIE WITT

DISCUSSION	Julie reported that the Rules for Early Childhood Councils were under revision and a draft proposal was given to Coordinators at the last ECCLA Meeting. If the rules were approved, we would need to expand the Board to ten members and would need to make sure the required partners were members of the board.
